NOTIFICATION

No. TPS 1204/Thane D.P.DCR/UD-12:

Whereas Development Control Regulations for Thane Municipal Corporation (hereinafter referred to as "the said Regulations") have been sanctioned by Government in Urban Development Department under section 31(1) of the Maharashtra Regional and Town Planning Act, 1966 (hereinafter referred to as "the said Act") vide Notification No. TPS-1225/CR-222/94/UD-12 dated 28/4/1995 to come into force with effect from 1/6/1995;

And whereas, the said Regulations do not contain the provisions for Special Township;

And whereas, Public Housing has been one of the major concerns of policy planning. It has been realised that there is a need to incentivise investment by private sector in development of housing. With this in mind, Government of India announced its policy to permit 100% direct foreign investment for development of integrated towns. Government of Maharashtra in collaboration with Maharashtra Economic Development Council had organised an International Infrastructure Summit in 2002. A concept paper was presented by the Urban Development, which was widely appreciated. Consultations with planners, architects and developers were held and the Government of Maharashtra finally approved the Special Township Scheme in the year 2004. The idea is to promote private investment in housing sector to facilitate housing at reasonable prices and also to create a hassle free atmosphere for investors. The new policy has to form a part of the existing DCR of Municipal Corporation/Councils and Development Control Regulations for regional plan areas.

And whereas, accordingly, Development Control Regulations (DCRs) exclusively for Special Townships, (hereinafter referred to as "the said Township Regulations") have been prepared and it is proposed to incorporate the said Regulations, in the Development Control Regulations of all the Municipal Corporations, New Town Development Authorities, Special Planning Authorities, Municipal Councils (hereinafter referred to as "the said Authorities") and also in the Development Control Regulations of all the Regional Plans of the State, by taking recourse to procedure laid down in Section 37 and 20 (as the case may be) of the said Act thereby modifying the relevant Development Plan/Regional

Plan in as much as Regulations thereof are concerned (hereinafter referred to as "the said modification").

And whereas, under the powers conferred by section 37(1AA) of the said Act, Government in Urban Development Department had published a notice No. TPB-1204/ThaneDCR/UD-12 dated 21/8/2004 (hereinafter referred to as "the said notice") which appeared in Maharashtra Government Gazette Part-I, Konkan Division Supplementary dated 24th August, 2004 at pages 41 to 45 in respect of Development Plan of Thane Municipal Corporation to invite suggestions/objections from the general public on the said modification and appointed the Dy. Director of Town Planning, Konkan Division, Konkan Bhavan, Navi Mumbai as an Officer to hear the suggestions/objections which may be received and submit his report on the same to Government.

And whereas, thereafter the said Act has been amended to include the provision for Special Township Project vide Maharashtra Act No. XXII of 2005 which appeared in Maharashtra Government Gazette (Extra Ordinary) dated 19/5/05;

And whereas, since the said notice published by the Govt. is prior to the amendment to the said Act, Government hereby withdraws the same and published afresh notice No. TPS 1204/Thane D.P. DCR/UD-12 dated 19th July, 2005 (hereinafter referred to as "the said Notice") which appeared in Maharashtra Government Gazette Part-I, Konkan Division on 22nd July, 2005 at pages 35 to 42 in respect of Thane Development Plan to invite suggestions/objections from the general public;

And whereas, Government appointed the Deputy Director of Town Planning, Konkan Division, Navi Mumbai, as an officer under section 162 of the said Act, (hereinafter referred to as "the said Officer") for submitting his report to the Government after scrutinizing the suggestions and objections and say of the said Corporation and after granting hearing to the concerned persons, including the said Corporation;

And whereas, after completing the procedure as laid down under section 37(1AA) of the said Act and after granting hearing to the representative of said Corporation, the said officer has submitted his report to Government on 31/12/2005;

And whereas, after consulting the Director of Town Planning, Maharashtra State Pune and after making necessary enquiries the Govt. is of the opinion that the said modification proposal is necessary and should be sanctioned with some changes;

Now therefore, in exercise of the powers conferred by sub-section (2) of section 37 of the said Act, the Government hereby finally sanctions the said modification proposal with some changes and for that purpose amends the Urban Development Department Notification No. TPS 1255/CR-222/94/UD-12 dated 28th April, 1995;
